Software Engineering Undergraduate @ SLIIT || BIT Undergraduate  
@ UOM || Athlete  
Dehiwala, Western Province, Sri Lanka

## Summary

I am a dedicated and passionate Software Engineering undergraduate, driven by a desire to create meaningful, user-focused, and high-performance digital solutions. My interests span across full-stack development, UI/UX design, artificial intelligence, machine learning, and network security, allowing me to explore technology from both creative and technical perspectives.

Throughout my academic journey at SLIIT and UOM (BIT), I have built a strong foundation in software development, and problem-solving. I enjoy working with tools like React.js, Tailwind CSS, Node.js, Python, and Figma to craft responsive, intuitive, and visually engaging applications. I constantly seek opportunities to expand my knowledge, refine my skills, and explore innovative ideas.

Beyond academics, I bring a proven record of leadership, teamwork, and discipline as the President of SLIIT Athletics, former Deputy Head Prefect of Hindu College Colombo and a long-standing athlete with multiple school-level and provincial achievements. My experience balancing sports and academics has strengthened my time management, resilience, and ability to perform under pressure —qualities I carry into every project I take on.

I aspire to combine creativity, logic, and technology to build software that delivers real-world impact. I am always open to collaborating on exciting projects, exploring industry opportunities, and connecting with professionals in the tech community.

---

## Experience

SLIIT

1 year 9 months

President - SLIIT Athletics

April 2025 - Present (9 months)

Vice President - SLIIT Athletics  
April 2024 - April 2025 (1 year 1 month)

RR Donnelley  
Admin Associate  
June 2022 - June 2023 (1 year 1 month)  
Colombo, Western Province, Sri Lanka

As an Admin Associate at RR Donnelley, I was responsible for ensuring smooth operational workflows through comprehensive administrative and production support. Key responsibilities included:

Preparing and distributing detailed production reports to team leads and managers, enabling informed decision-making.

Maintaining accurate and up-to-date employee records and details.

Coordinating shift-wise transport allocations for employees to ensure timely attendance and operations.

Managing production billings and associated documentation.

Handling, organizing, and maintaining production files and records efficiently.

Managing email communications to ensure smooth internal coordination and information flow.

Performing all administrative and production tasks using computer-based systems and tools, ensuring efficiency and accuracy.

This role strengthened my skills in data management, reporting, process coordination, and administrative support, while contributing to the operational efficiency of the team.

Hindu College Colombo  
2 years 2 months  
Athletic Captain  
January 2020 - January 2021 (1 year 1 month)

Deputy Head Prefect  
December 2019 - January 2021 (1 year 2 months)

**Secretary - Prefects' Guild**  
December 2018 - December 2019 (1 year 1 month)

**Hindu College Colombo**  
Junior Prefect  
June 2012 - July 2017 (5 years 2 months)
